Our Alumni Career Q&A sessions have been a great way for alums to connect with our current students!

Alumni either come in to school or Zoom for about 50 minutes and talk with the students about their trajectories since leaving Stang. Education, training, careers, service - how to manage a budget or get your first apartment - it’s all helpful for our younger Spartans!

If you’re interested in joining our roster of Q&A guests please contact Jennifer Golden jgolden@bishopstang.org
