Date: 2025-2026 Academic Year-Temporary, Full-Time (12-week coverage)
Department: Science
Supervisor: Science Department Chairperson, Administration
Pay: Per diem, based on qualifications and experience

Bishop Stang's Mission

Bishop Stang High School is a Catholic, college-preparatory school of 550 students located along the beautiful South Coast of Massachusetts in North Dartmouth, Massachusetts. Employees are called to share the Gospel of Jesus Christ by "making known the goodness of God." We holistically educate a diverse student body in a respectful, nurturing, and disciplined environment. Our school family inspires young people to excel in learning and life through growth in faith, integrity, knowledge, and service.

Description

Bishop Stang High School is seeking a dynamic and qualified educator to serve as a full-time science teacher for a 12-week maternity leave during the 2025–2026 academic year. The ideal candidate will be passionate about the sciences, committed to student success, and capable of maintaining a structured and engaging learning environment aligned with the school's mission and values.

Primary Responsibilities

- Teach Anatomy, Biology, and Chemistry courses to high school students
- Plan and deliver engaging, rigorous, and developmentally appropriate lessons
- Assess and evaluate student progress through a variety of assessment methods
- Maintain regular communication with students, parents, and staff
- Collaborate with department colleagues to ensure curricular consistency and support
- Participate in limited school duties and faculty meetings as required during the coverage period
- Ensure continuity of instruction aligned with school and departmental standards

Other Responsibilities: Additional duties as assigned and approved by the Science Department Chairperson and the Administration

Qualifications:

- Bachelor's degree in Science Education, or a related field (Master's preferred)
- Prior experience teaching high school science, particularly Anatomy, Biology, Chemistry (preferred not required)
- Valid Massachusetts educator licensure (preferred)
- Commitment to the values and mission of Catholic education
- Strong communication, organization, and classroom management skills

Mission Alignment and Commitment Requirements:

- **Faith and Values Integration:**

- Integrate Catholic teachings in lessons and school activities, fostering students' spiritual growth and ethical decision-making.
- **Commitment to Educational Excellence:**
 - Employ diverse instructional strategies to achieve holistic education, prioritizing academic, moral, and spiritual development.
- **Promotion of a Diverse and Inclusive Environment:**
 - Foster an inclusive, respectful atmosphere that values diversity and addresses the needs of a culturally diverse student body.
- **Community and Service Orientation:**
 - Promote and engage in community service initiatives, encouraging students to actively participate and contribute.
- **Demonstration of Professional Integrity and Discipline:**
 - Uphold professional integrity and discipline in all interactions as a role model in fostering a safe and positive learning environment.
