

Bishop Stang High School
500 Slocum Road
North Dartmouth, Massachusetts 02747

Position: Mathematics Teacher
Date: 2026-2027 Academic Year
Department: Mathematics, Business, and Computer Science
Supervisor: Administration/Department Chairperson

Bishop Stang's Mission

Bishop Stang High School is a Catholic, college-preparatory school of 550 students located on the beautiful South Coast of Massachusetts in North Dartmouth. Employees are called to share the Gospel of Jesus Christ by "making known the goodness of God." We holistically educate a diverse student body in a respectful, nurturing, and disciplined environment. Our school family inspires young people to excel in learning and life through growth in faith, integrity, knowledge, and service.

Description

We are seeking an enthusiastic and dedicated Mathematics Teacher to join our high school teaching team for the 2026-2027 academic year.

Primary Responsibilities

- Design and deliver engaging, student-centered mathematics instruction for Grades 9–12.
- Develop and implement purposeful lesson plans aligned with the school curriculum and provide clear documentation of instructional preparation.
- Differentiate instruction to meet diverse learning needs, incorporating appropriate accommodations and supports.
- Align curriculum and instruction with the Massachusetts Curriculum Frameworks and DESE standards.
- Assess student learning using a variety of methods, analyze data to inform instruction, and adjust teaching strategies to support student growth.
- Integrate technology into instruction in meaningful and effective ways to enhance student understanding, engagement, and real-world application of mathematical concepts.
- Foster a positive, structured classroom environment that promotes critical thinking, collaboration, and academic excellence.
- Communicate regularly and effectively with students, families, and colleagues regarding student progress and needs.
- Actively participate in department meetings, faculty collaboration, and school community events.

Other Responsibilities: Additional responsibilities identified as needed and/or assigned and approved by the Mathematics Department Chairperson and the School Administration.

Qualifications:

- Bachelor's degree in Mathematics or a related field.
- Valid teaching certification for High School Mathematics. (Preferred but not required)
- Proven experience as a Mathematics teacher at the secondary level (preferred).
- Strong interpersonal and communication skills.

- Commitment to continuous education through workshops, seminars, and conferences.

Mission Alignment and Commitment Requirements:

- **Faith and Values Integration:**
 - Integrate Catholic teachings into lessons and school activities to foster students' spiritual growth and ethical decision-making.
- **Commitment to Educational Excellence:**
 - Employ diverse instructional strategies to achieve holistic education, prioritizing academic, moral, and spiritual development.
- **Promotion of a Diverse and Inclusive Environment:**
 - Foster an inclusive, respectful atmosphere that values diversity and addresses the needs of a culturally diverse student body.
- **Community and Service Orientation:**
 - Promote and engage in community service initiatives, encouraging students to actively participate and contribute.
- **Demonstration of Professional Integrity and Discipline:**
 - Uphold professional integrity and discipline in all interactions as a role model in fostering a safe and positive learning environment.

Benefits:

- Dental Insurance
- Health insurance
- Paid time off
- Vision insurance
- 403(B) retirement plan match
