

Be a Spartan-For-A-Day!

Come and spend the day at Bishop Stang High School with one of our friendly Student Ambassadors and experience a day in the life of a freshman. You'll attend classes, meet teachers & students, and enjoy lunch on us. This optional program begins in October and is open to current 8th graders and transfer students. Come see for yourself what makes our school family stand out from the rest & ***why it is great to be a Spartan!***
