

September 2026

Dear Senior Parents/Guardians:

Plans are well underway for our twenty-fifth After Prom Party. The evening promises to provide a safe night of fun, food, and prizes following the Bishop Stang Prom on May 26, 2027.

Many years ago, a unique after-prom tradition was introduced: The Wall of Fame. A designated area is covered with individual posters, one for each senior, made by their family. These 16"x20" collages can be decorated to showcase mementos of their school years (K-12), milestones in their lives, or just their four years at Bishop Stang. It all depends on what your family decides to do. The students are always thrilled to find their poster and to see their friends' as well. Students will bring their collage home at the end of the event.

**Four important points about making these posters:**

- Please DO NOT stray from the guidelines stated above. We want to give each senior equal billing. We know that you are proud of your son or daughter, but we cannot dedicate a whole wall to him/her.
- We recommend that you consider using Vistaprint, Staples, Walgreens, Shutterfly, etc. to make a digital collage that can be printed out as one sheet. This will prevent any photos from falling off the board and it can easily be attached to a piece of cardboard or foam board. Do not mount the collage to any material that is heavy duty as we will not be able to hang it up.
- If you are unable to make a digital collage, please DO NOT include irreplaceable family heirlooms or photos on this collage. It is recommended that photos be color-copied and the copies be used on the collage.
- Finally, in previous years some students were very disappointed to not find a poster for themselves on the wall. Our goal is 100% participation. If this is a concern for you, please email me and I can help you with your poster.

Completed boards should be returned to me via the Main Office by May 1, 2027. We want the finished product to be a surprise - please drop your poster off or send it in with a sibling. If you must send it with your senior, wrap the collage in such a way that the student cannot see it.

Thank you for your anticipated cooperation.

Sincerely,

Tara Woods
